**ORDER:**

The fees committee received many proposals from the Teacher Training Colleges to increase the Tuition fees for the students who are studying in their colleges. The Committee could not inspect the colleges to make assessment on the facilities available in the colleges as projected by them, in the proposal, due to COVID - 19. That apart the committee feels

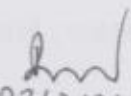

that the hike in the tuition fees will cause great hardship to the parents/students due to the prevailing circumstances viz., COVID - 19.

Therefore, the committee is of the view that the Teacher Training Colleges, which are charging Rs. 22,500 / Rs. 25,000 / Rs. 26,500 / Rs. 27,500 / Rs. 28,000 / Rs. 28,500 / Rs. 29,000 / Rs. 29,500 which was the fee fixed earlier by this committee, could collect tuition fee at Rs. 30,000/- for this academic year. The fees for all the colleges will be considered during April / May 2021 for the next academic year 2021 - 2022.
